另外,访学期间,学生还可以选择直接在西澳大学报名和参加雅思考试。

General English

Each five-week General English teaching module is taught through interesting topics, including about Australia and its society. You will also develop your ability to communicate clearly in English along with a variety of useful language skills including:

- » reading and understanding different types of English texts
- » writing clearly and accurately
- » taking part with ease in conversations and discussions
- » listening to and understanding different varieties of spoken English
- » speaking clearly and fluently with easily understood pronunciation
- » using grammar and vocabulary to convey meaning well

English for Academic Purposes

If your language ability is between the upper-intermediate to advanced level and if you want to develop your English language ability in preparation for tertiary studies in an English speaking country, then we recommend you consider enrolling in English for Academic Purposes. In each five-week module you will develop your skills to:

- » take notes during talks and lectures
- » give and take part in seminars and presentations
- » read and understand academic articles
- » write academic texts clearly and accurately
- » conduct library and internet research effectively
- » use information technology to support your learning, and
- » learn about how to adapt to the academic culture of an Australian university
